

Yate Town Council Advisory Meeting

Advisory meeting held via Zoom Video Conferencing

During the coronavirus pandemic and to meet social distancing guidelines, Yate Town Council was able to meet remotely under The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations.

As the above regulation ceased to apply after 6 May 2021, Yate Town Council is currently holding a limited number of face to face meetings to meet compliance purposes but encouraging members of the public to attend the advisory Zoom meetings in the interest of public safety during the pandemic, as these advisory meetings will inform the formal decision-making at the face to face meetings.

Copies of the notes of the advisory meetings can be found appended to the Minutes of the Full Council meeting following the advisory meeting, which can be found on the following link: [Full Town Council Meetings - Yate Town Council](#)

The agenda was published in a timely manner on the Yate Town Council website and members of the public were invited to attend the meeting.
