At the time of writing, our venues, play areas and outdoor gym are closed and several of our popular events have been cancelled or postponed. Mayor's Message

During these unprecedented and difficult times, it's important that we all follow the Government's advice to help reduce the spread of the COVID-19 virus. It's imperative that we work together to minimise the effect of the virus, save lives and recover from this pandemic asap.

Please follow the new guidelines from the Government when going out. Be sensible, keep your distance from others and get the essentials for yourself and for others that you are looking out for.

We have seen many things in our everyday life either being closed or cancelled or postponed. Hopefully these are just short term measures to help protect one another from this virus. It's important that we all act responsibly and comply with all measures at this time.

On a positive note, its been pleasing to see so many people going out of their way to help others in their local area. Yate Town Council is working with other local partners to support the co-ordination of volunteers across the parish to help those in need.

For more information about what we are doing, please take a look at the Town Council's social media platforms and website.

Virtual Easter Bonnet Competition

The Friends of Kingsgate Park (FOKP) and Yate Town Council launched a virtual Easter Bonnet competition this year as we sadly were unable to hold our annual Easter Egg Event and Bonnet Parade on Easter Monday.

We had an amazing response and all the entries were "eggcellent." We were very impressed with the creativity of all those who entered the competition. Please visit the official FOKP Easter Bonnet Competition Facebook page where all the bonnets and winner can be seen: [@eastercompetition](#)
