

The Armadillo - How are we minimising risk?

Please stay at home if you have COVID19 symptoms, or have had contact with symptoms in the last 14 days.

Your entrance will be confirmed by your group leader.

We ask that you help us to keep you safe by:

- Bringing a face covering to wear in the building (it must cover your nose and mouth)
- Providing your contact details for "Test and Trace"
- Maintain social distancing always;
- Wash or sanitize your hands when you arrive at the Armadillo, before using the toilets, and whenever advised by staff;
- Comply with staff directions for movement around the building:
- Where possible, please do not eat in the building and bring your own drink;
- Take litter home with you.

We take health and safety very seriously and we have taken several measures, to reduce the risk of COVID19 contamination.

We have:

- Cleaned our premises thoroughly before and after every activity;
- Worn PPE where appropriate:
- Washed and sanitized our hands regularly and provided visitors with facilities to do so;
- Ventilated the building;
- Kept all areas clean, tidy and free from litter;
- Signposted clear access routes including entrances and exits;
- Limited the number of people and staff in each area of the building and activity;
- Planned workshops in a way that maintains social distancing;
- Ensured equipment is cleaned thoroughly and/ or provided new equipment for each visitor;
- Staggered workshop spaces and times.

If we feel that you are not complying with our COVID19 policy, we may ask you to leave the Armadillo.

While we strive to make every reasonable effort to keep you safe, we do not accept liability for any case of COVID19 which may occur from contamination in our building and activities, in spite of our very best efforts to keep you safe.
