VJ Day Commemorations

On Saturday 15th August 2020, commemorations took place to mark 75 years since VJ Day, which signified the end of the Second World War.

After VE Day was announced in May 1945, many thousands of Armed Forces personnel were still engaged in bitter fighting in the Far East until August 1945.

Yate Town Council joined with St Mary's Church Ministry, the Royal British Legion and Dodington Parish Council to remember the huge sacrifice and suffering so many endured.

Due to the current COVID-19 restrictions and social distancing, two very small services took place at St Mary's Church in Yate.

Overflowing Rubbish Bins

The Town Council is more than aware of the littering problem within our town, which escalated during COVID-19. Our Estates Team colleagues are constantly battling to keep up with the extra mess, particularly left at weekends and we are trying to understand why this is happening. Is the answer to spend more money on buying bigger bins?

In a bid to help where he can, Yate Mayor, Councillor Karl Tomasin, has worked with McDonalds and as a result, they have volunteered to empty the bin by the bus stop on Station Road (near McDonalds) at weekends, for which we would like to pass on our thanks.

We would also like to give our thanks to the local "litter heroes" who selflessly volunteer to litter pick this tide of unwanted rubbish from our streets and parks.

We urge you to take your rubbish home. If your nearest public bin is full - do the right thing!
