HOWARD LEWIS **PLAY AREA & PARK**

Yate Town Council recently consulted with users and local residents about improving the Howard Lewis Play Area. The Council received lots of feedback from you and has used this information to draw up a scheme which reflects all the comments received.

We would like to know what local residents and park users think of the amended design and would be very grateful if you could answer a few questions on the back page of this leaflet.

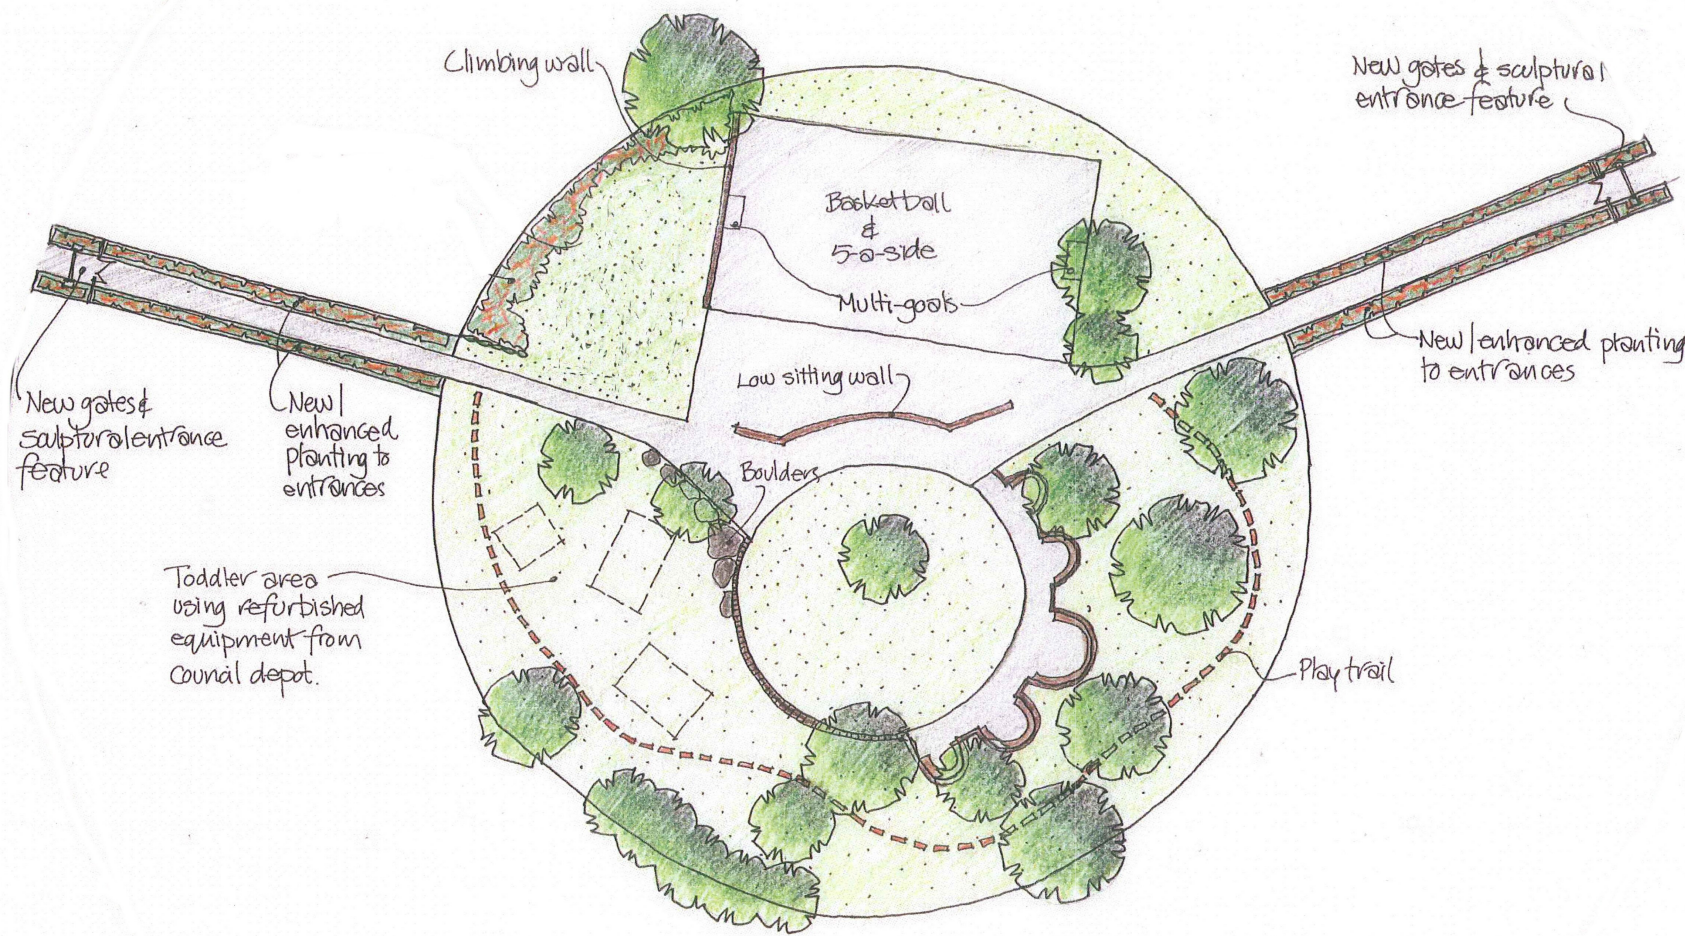

The Town Council is also considering updating the kickabout goal on Lye Field and would like to know which of the proposed designs you prefer.

The plans for both schemes are available to view in the foyer at Poole Court, from Monday 16 August 2010 until Friday 10 September 2010 or at www.yatetowncouncil.gov.uk.

For further information please visit www.yatetowncouncil.gov.uk or contact Yate Town Council on 01454 866506 or e-mail info@yatetowncouncil.gov.uk.

HOWARD LEWIS PLAY AREA PROPOSAL

Design Notes

Hard surface of the tennis courts retained. New fencing erected to accommodate 5 a-side pitch and basketball. Multi goal units installed at each end, with climbing wall to western edge (grips to outside). Existing lighting removed.

New toddler equipment installed to south west corner of site (refurbished from stored equipment). Play trail, boulders and low timber walls provide incidental play.

New central grass area has seating bays around, which could have scented planting set between bays. NB existing path to redundant entrance removed.
