Dear Resident,

**Longs Drive Open Space Consultation – Tuesday 2 March 2010, 6pm - 8pm
at Yate Parish Hall**

Yate Town Council and South Gloucestershire Council are working together to provide a new play area on the Longs Drive open space. The proposals are for a small amount of additional work, not a major play area – you can see what we are proposing on the back of this letter.

At present, this site is owned and maintained by South Gloucestershire Council. As part of this project, Yate Town Council will take on a lease for the site and maintain it in the future.

If they go ahead, these works will be paid for through a £35,000 lottery grant. If the consultation gives the go ahead, we plan to have the new work done by the summer.

We would very much like to hear your views on this idea, and on any other issues you have with the open space at Longs Drive.

Please come to a drop-in session on **Tuesday 2 March 2010** at Yate Parish Hall. Call in anytime between 6pm and 8pm where the plans will be on display and local councillors and council officers will be available to discuss the plans and answer any questions you may have.

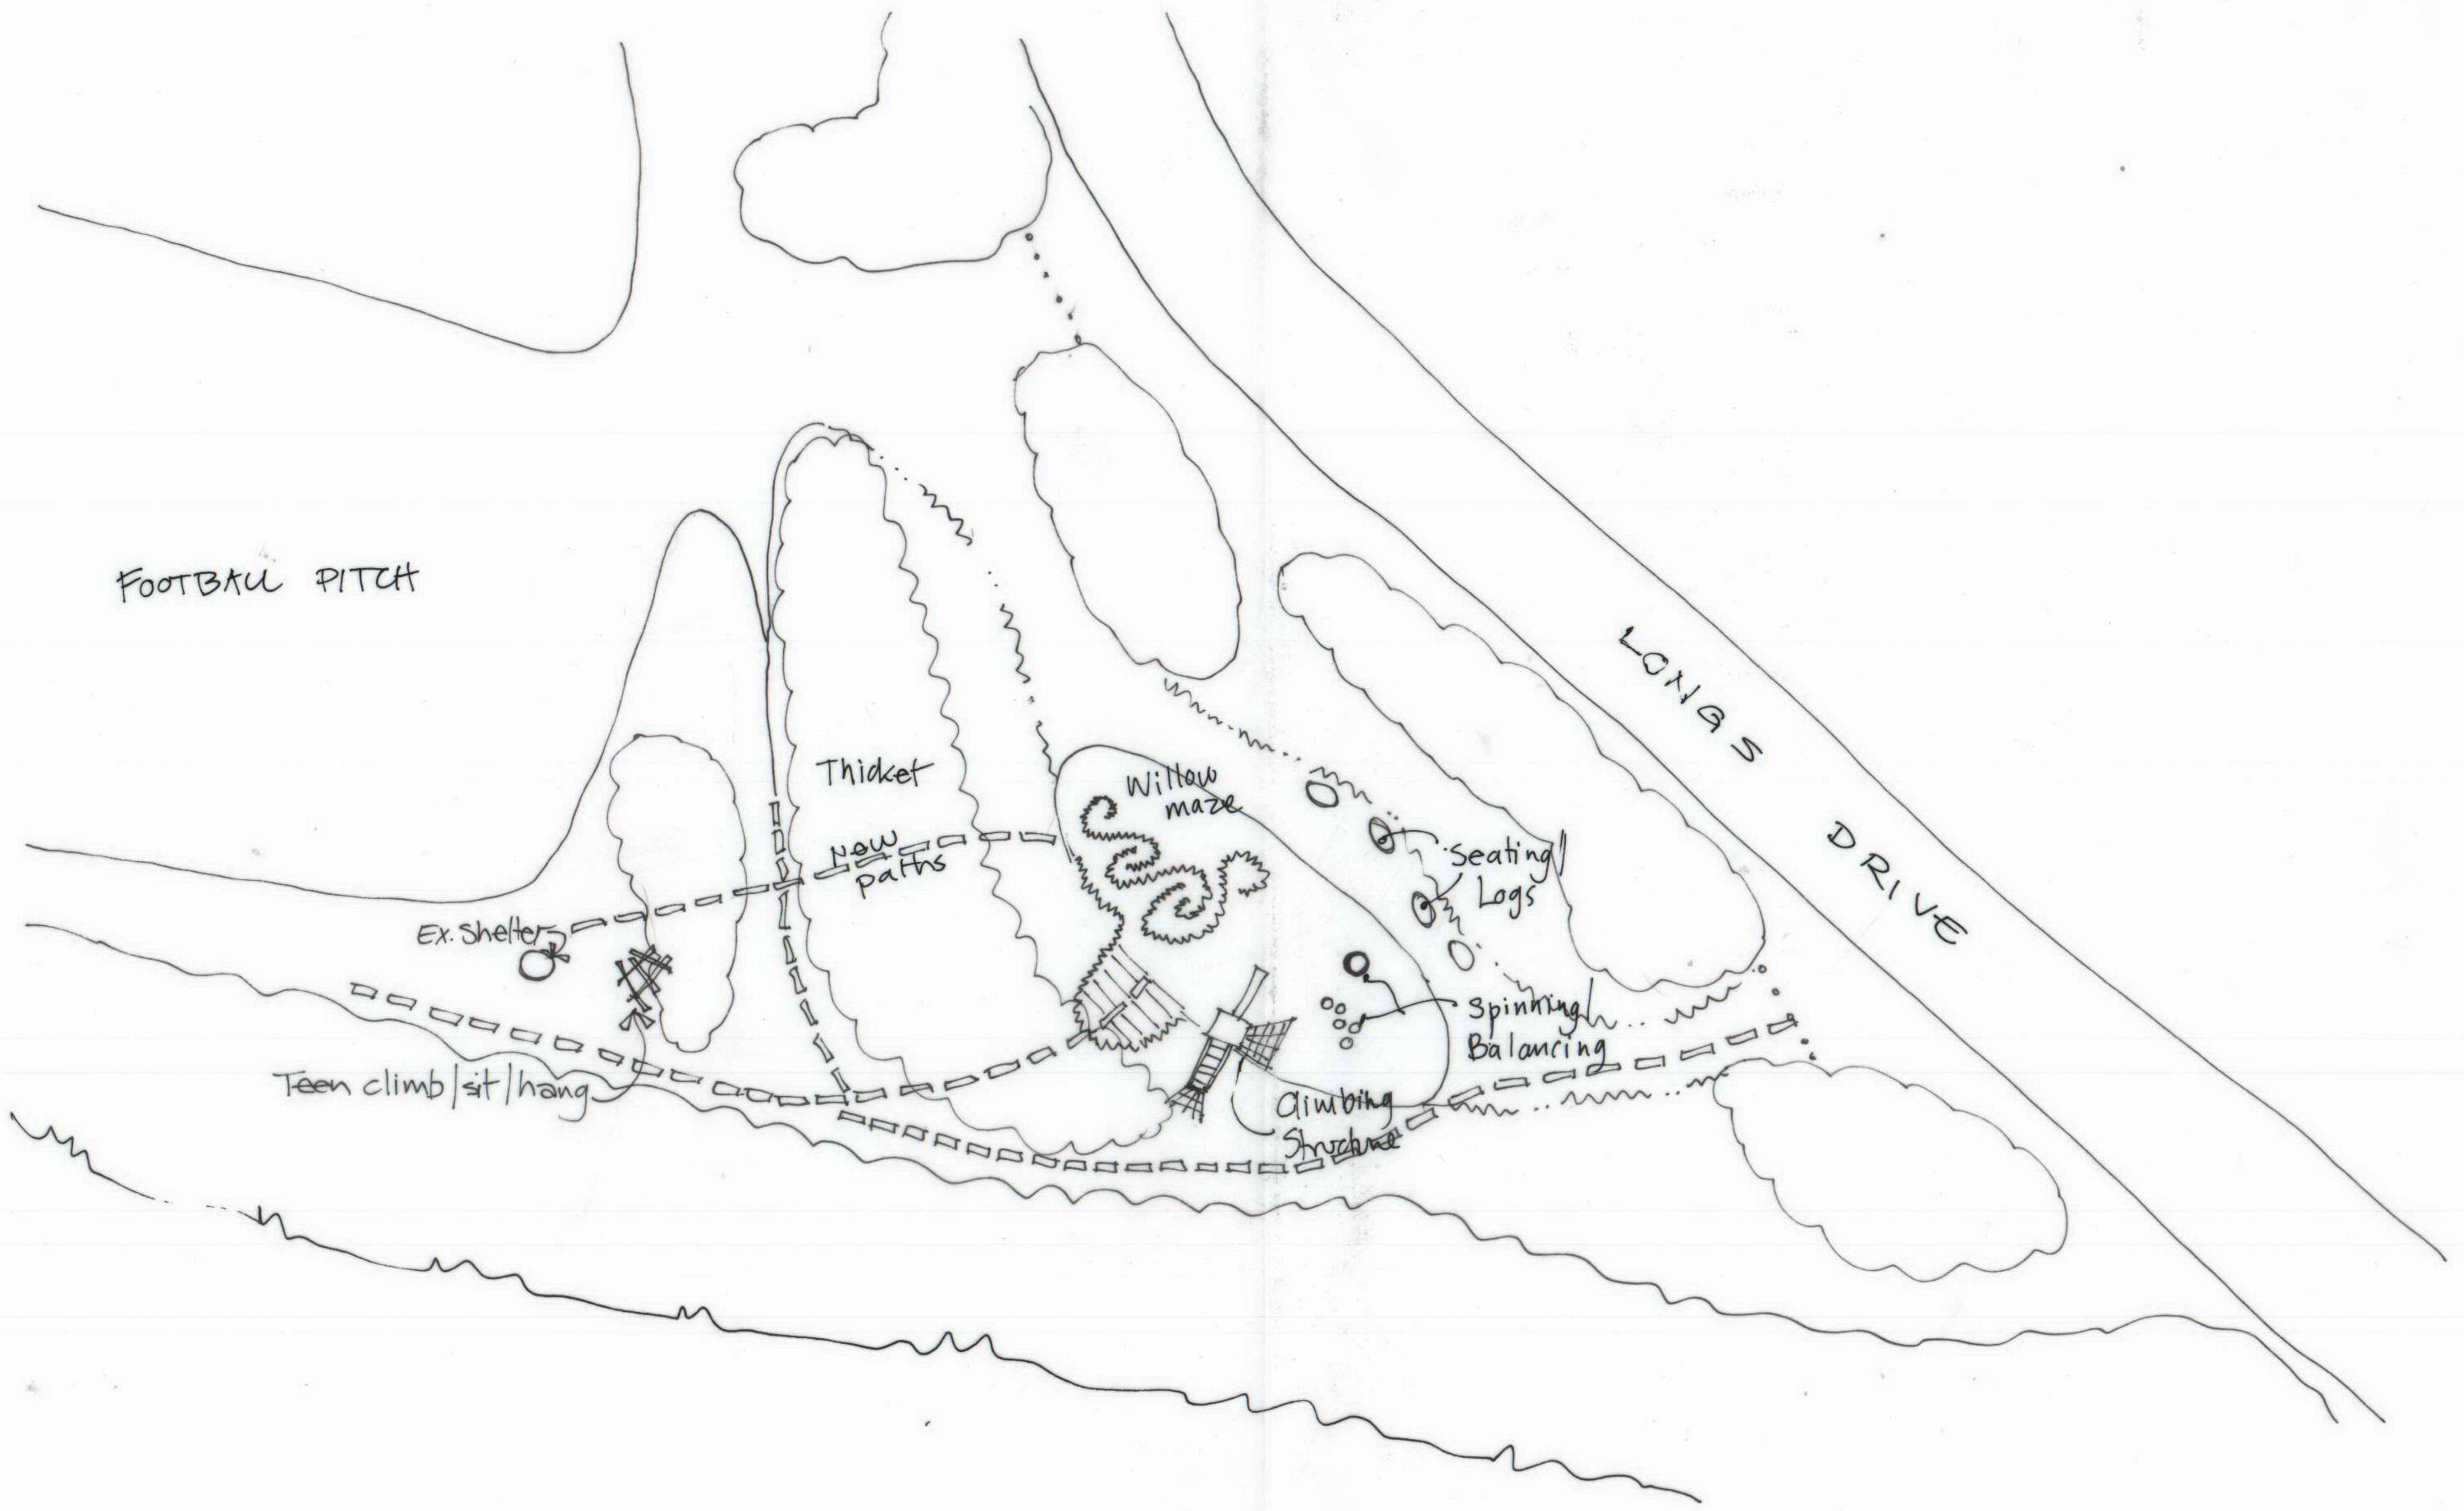

Copies of the plans and further information is also available from Yate Town Council offices at Poole Court or on our websites www.yatetowncouncil.gov.uk or www.southglos.gov.uk/consultation.

If you cannot come to our consultation evening, we would welcome your comments in writing at the address below or by e-mail to info@yatetowncouncil.gov.uk by 26 March 2010.

Yours sincerely

Clare Nelmes - Community Consultation Officer, South Gloucestershire Council
and
Hayley Townsend – Town Clerk, Yate Town Council
