Mayor's Message

On 24th September, Councillor Karl Tomasin, Mayor of Yate, published a message to residents of Yate.

The Mayor passed his congratulations to all students who received their exam results this summer and passed on his best wishes to all those looking to progress their education at college or university this autumn. The Mayor also recognized the work of schools to accommodate the return of students and the hard work going into these preparations.

The Mayor also acknowledge VJ Day in recognition of those who served in the war and the sacrifice that so many have made so that we can live our lives in peaceful times.

Thanks and gratitude were passed to those who continue to help and support others within our community.
